

ONE in SEVEN

One person in seven suffers from one or more NTDs

What are we doing to help them?

Doing our part:
Implementation of
**capacity
building
efforts**

**40 health
partnerships**

**combining prevention,
training and treatment**

We are working with partners to:

- Increase availability of existing treatments and vaccines
- Strengthen health systems by equipping hospitals, providing medicines and supporting provision of safe water and sanitation
- Train healthcare professionals and researchers on care delivery and R&D using creative tools and technologies
- Raise awareness on diseases, prevention, and needed science-based regulatory policies

Check out <http://partnerships.ifpma.org>
for insights into each partnership.

ONE in SEVEN

One person in seven suffers from one or more NTDs

What are we doing to help them?

Doing our part:
landmark
**medicine
donations**

We have pledged to
donate an average of
**1.4 billion
treatments**

for each of the ten
years from 2011 to
2020.

The 14 billion treatments over
this period will help eliminate
or control the nine neglected
diseases that represent
more than 90% of the global
neglected diseases burden.

Check out IFPMA, *Ending Neglected Tropical Diseases*, IFPMA member companies support eliminating and controlling neglected tropical diseases over the next decade through landmark donations, January 2012.
